Location

Unit F Spencer Road is located within Blyth Riverside Industrial Estate which is a busy commercial estate combining a number of local, regional and national occupiers including the likes of Howdens, Velux, Travis Perkins, Jewson and Supernode.

Blyth is situated on the North East coast approximately 11 miles from Newcastle City Centre, 5 miles to the south of Ashington and 4 miles to the north of Cramlington. Description

The property comprises a mid-terraced industrial warehouse which is currently utilised as a children's soft play centre with the intention being that this would be stripped back to an industrial shell specification when the tenant vacates. A new roof was fitted to the property circa 2019 and internally the space is of steel portal frame construction with brick and clad elevations.

The warehouse space contains LED lighting and concrete flooring with an eaves height of 4.65 metres to the haunch extending to 9.46 metres at the apex. There is one roller shutter door which measures 3 metres wide x 3.2 metres high.

Externally the property has a good sized tarmac secure parking and yard area to the front elevation which opens out onto Cowley Road.

Gas and 3 Phase electricity and water are all available on site, however we would suggest all interested parties should carry out their own enquiries in this respect. .
