FOR SALE

Mowbray Buildings, 30/31 Frederick Street,
Sunniside, Sunderland, SR1 1NA

Location

The property is prominently positioned in the heart of Sunderland city centre, benefiting from close proximity to a wide range of local amenities. The building occupies a corner site at the junction of Borough Road and Frederick Street and was formerly occupied by SCS Furniture.

Sunderland is undergoing significant regeneration, with major investment across the city and surrounding areas. Notable developments include the new footbridge connecting the city centre to the Sheepfolds district, enhancing access to the Stadium of Light and contributing to the wider transformation of the area.

Description

The property comprises a four storey building including the benefit of a basement area. It was last occupied as a furniture showroom, resulting in large, predominantly open-plan floor plates across each level. A central staircase provides access throughout the building, and there is also a decommissioned service lift extending from the basement to the second floor.

Given the layout and scale, the property lends itself to a variety of potential uses, subject to obtaining the necessary planning consents.
